CIS 497 - Senior Project - Spring 2019

Room Scheduling Application

The system will be used to organize scheduling Create reservations for Flight Works Alabama's education center. The system will need to be efficient because the estimates of visitors will be high as predicted by experts. Create a detailed report for educational partners System needs to display an up-to-date schedule for quick reservations to be made.

Roxyn Dively
IT - Web Design

When I am not at school, I love to spend time with my family. My hobbies include photography, granite engraving, and painting my nails.

Jovi Perez
IS

When I'm not studying I enjoy reading, listening to podcasts, and playing cards. I'm excited for my gap year to find and try new hobbies.

Justin Thomas
IS

Interests include playing video games and learning about new technologies in my spare time. My favorite sports team is Alabama Crimson Tide.

Cody Evans
IT - Networking

In my spare time, I enjoy watching TV, playing video games, and reading. My favorite sports teams are Alabama and the Atlanta Falcons.
