*MY*BLUECROSS
TWO FACTOR
AUTHENTICATION

Two factor authentication provides an extra layer of security for your myBlueCross account. When you access your account from a new device, you will be prompted to enter a security code along with your username and password.

1 You will choose to receive the security code in a text message or an email.

2 After you click "Send Code," the code will be sent to the mobile number or email address associated with your account.
