**PLEASE READ BEFORE COMPLETING APPLICATION**

- **Returning** applicants are students who were previously enrolled in courses at USA and have been absent from USA for one term. (Exception: A readmission is not required for graduate students enrolled in the spring term that did not attend summer.)
- **Transient** students **must reapply each term** and request an official Transient Approval for each term.
- **If a returning student has attended any other college(s) since last enrolled at USA**, an official transcript from each college or university attended is required (student must request the transcript). The student must also be in good standing and eligible to return to the last institution attended.
- **Returning students** are considered for readmission on the basis of their previous record at USA. If a student was suspended or dismissed from USA, the suspension or dismissal must be cleared in order for the student to return. Students must also go through departmental approval to be readmitted.

**IMPORTANT INFORMATION FOR READMISSION**

- **Immigration:** All international students in F-1 status are required to make normal progress toward completing a course of study to maintain their immigration status as stated in U.S. Code of Federal Regulation 8 CFR 214.2(f)(5)(i). Any student in F-1 status who does not meet this requirement will be denied readmission to the University of South Alabama.
- **If you do not register for your original application term**, you must complete another application for the term you plan to readmit.
- **Academic Bankruptcy:** Academic Bankruptcy is available only to eligible undergraduate students (without a bachelor's degree) who have not been enrolled at USA for one or more calendar years. Academic bankruptcy must be declared before or during the term of re-entry. For more information, contact your college or advisor.
