## UNIVERSITY of SOUTH ALABAMA MARX LIBRARY

## Gift Acquisition Request

Monetary donations to the Marx Library can be used to purchase books, databases, art, or other academic resources to provide a wider range of research for USA students and faculty.

These gift funds may be used "In memory of" or "In honor of" someone special in your life – a parent, a professor, or a loved one. Upon the donor's request, a bookplate, nameplate, or electronic notation may be added to the resource for memorial or honorary recognition.
