## Office of Internal Audit Charter

### Purpose and Mission

The purpose of the University of South Alabama's Office of Internal Audit (OIA) is to provide independent, objective assurance and consulting services designed to add value and improve the University of South Alabama's operations. The mission of the OIA is to enhance and protect organizational value by providing risk-based and objective assurance, advice, and insight. The OIA helps the University of South Alabama (main campus and USA Health) accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of governance, risk management, and control processes.

### Standards for the Professional Practice of Internal Auditing

The OIA will govern itself by adherence to the mandatory elements of The Institute of Internal Auditors' International Professional Practices Framework ("IIAI Framework"), including the Core Principles for the Professional Practice of Internal Auditing, the Code of Ethics, the *International Standards for the Professional Practice of Internal Auditing*, and the Definition of Internal Auditing. The Director, Office of Internal Audit (Director) will report periodically to senior administration and the Audit Committee of the Board of Trustees (Audit Committee) regarding the OIA's conformance to the IIAI Framework.

### Authority

The Director will report to the Chief Administrative Officer (CAO) in the Division of Finance and Administration. The Director will serve as a liaison to the Audit Committee and will ensure the mandatory elements of the IIAI Framework are communicated to the Audit Committee. To establish, maintain, and assure that the OIA has sufficient authority to fulfill its duties, the Director will have unrestricted access to the Audit Committee, including private meetings, as necessary to ensure compliance with the IIAI Framework. The Audit Committee will approve the OIA's charter and any amendments thereto.

The Audit Committee authorizes the OIA to:

- Have full, free, and unrestricted access to all functions, records, property, and personnel pertinent to carrying out any engagement, subject to accountability for confidentiality and safeguarding of records and information at both the main campus and USA Health
  - No officer, administrator, faculty, or staff member may interfere with or prohibit OIA from examining any University or related organization's records or interviewing any employee or student that OIA believes is necessary to carry out its duties

- Allocate resources, set frequencies, select subjects, determine scopes of work, apply techniques required to accomplish audit objectives, and issue reports
- Obtain assistance from the necessary personnel of the University of South Alabama, as well as other specialized services from within or outside the University of South Alabama. ## **Independence and Objectivity**

The Director will ensure that the OIA remains free from all conditions that threaten the ability of internal auditors to carry out their responsibilities in an unbiased and independent manner, including matters of audit selection, scope, procedures, frequency, timing, and report content. If the Director determines that independence or objectivity may be impaired in fact or appearance, the details of impairment will be disclosed to appropriate parties.

Internal auditors will maintain an unbiased mental attitude that allows them to perform engagements objectively and in such a manner that they believe in their work product, that no quality compromises are made, and that they do not subordinate their judgment on audit matters to others.

Internal auditors will have no direct operational responsibility or authority over any of the activities audited. Accordingly, internal auditors will not implement internal controls, develop procedures, install systems, prepare records, or engage in any other activity that may impair their judgment, including:

- Assessing specific operations for which they had responsibility within the previous year
- Performing any operational duties for the University of South Alabama or its affiliates
- Initiating or approving transactions external to the OIA
- Directing the activities of any University of South Alabama employee not employed by the OIA, except to the extent that such employees have been appropriately assigned to auditing teams or to otherwise assist internal auditors

Where the Director has, or is expected to have, roles and/or responsibilities that fall outside of internal auditing, safeguards will be established to limit impairments to independence or objectivity.

Internal auditors will:

- Disclose any impairment of independence or objectivity, in fact or appearance, to appropriate parties
- Exhibit professional objectivity in gathering, evaluating, and communicating information

about the activity or process being examined

- Make balanced assessments of all available and relevant facts and circumstances
- Take necessary precautions to avoid being unduly influenced by their own interests or by others in forming judgments

The Director will confirm to the Audit Committee, at least annually, the organizational independence of the OIA. The Director will disclose to the Audit Committee any interference and related implications in determining the scope of internal auditing, performing work, and/or communicating results.

## **Scope of OIA Activities**

**Assurance Services:** The scope of OIA activities encompasses, but is not limited to, objective examinations of evidence for the purpose of providing independent assessments to the Audit Committee, administration, and outside parties on the adequacy and effectiveness of governance, risk management, and control processes for the University of South Alabama. - Risks relating to the achievement of the University of South Alabama's strategic objectives are appropriately identified and managed

- Established processes and systems enable compliance with the policies, procedures, laws, and regulations that impact the University of South Alabama
- Information and the means used to identify, measure, analyze, classify, and report such information are reliable and have integrity
- Resources and assets are acquired economically, used efficiently, and protected adequately

The Director will report regularly to the CAO, and, as needed, to senior administration and the Audit Committee, regarding:

- The OIA's purpose, authority, and responsibility
- The OIA's plan and performance relative to its plan
- The OIA's conformance with the IIAI Framework, and action plans to address any significant conformance issues
- Significant risk exposures and control issues, including fraud risks, governance issues, and other matters requiring the attention of, or requested by, the Audit Committee
- Results of external audit engagements or other activities

- Resource requirements
- Any requested amendments to the OIA charter
- Any response to risk by senior administration that may be unacceptable to the University of South Alabama

The Director also coordinates activities, where possible, and considers relying upon the work of other internal and external assurance and consulting service providers as needed.

Opportunities for improving the efficiency of governance, risk management, and control processes may be identified during engagements. These opportunities will be communicated to the appropriate level of administration.

**Consulting Services:** The OIA provides consulting services in an advisory capacity. Consulting may range from formal engagements with defined scopes and objectives to advisory activities such as providing informal guidance in response to general inquiries, or participating on University committees. However, in all cases, OIA functions only as an advisor, with administration being responsible for final decisions.

## **Responsibilities of the Director, Office of Internal Audit**

The Director has the responsibility to:

- Submit, at least annually, to the CAO a risk-based internal audit plan for review and approval
- Evaluate, on an annual basis, the department's adherence to the OIA Charter and report the evaluation to the CAO
- Communicate with the CAO regarding any significant interim changes to the risk-based internal audit plan
- Annually evaluate the performance of all staff auditors and provide opportunities for development of staff
- Ensure mandatory communications of the IIAI Framework are provided to the Audit Committee

## **Quality Assurance and Improvement Program**

The OIA will maintain a Quality Assurance and Improvement Program covering all aspects of its operations. The program will include an evaluation of the OIA's conformance with the IIAI Framework. The program will also assess the efficiency and effectiveness of the OIA and identify opportunities for improvement.

The Director will communicate to the CAO, and the Audit Committee as required by the IIAI Framework, on the OIA's Quality Assurance and Improvement Program, including results of

internal assessments (both ongoing and periodic) and external assessments conducted at least once every five years by a qualified, independent assessor or assessment team from outside the University of South Alabama.

authority to fashion and implement the policy, goals, and purposes of the USAFRC. The Board may adopt such rules and regulations for the conduct of its meetings and the management of the USAFRC as the Board may deem appropriate, not inconsistent with federal or state law or these Bylaws. The Board, by resolution thereof, shall from time to time enumerate the duties, obligations, and responsibilities of the directors, including their attendance at meetings of the Board and their participation in the activities of the USAFRC.

Section 3.2 Number, Qualification, and Tenure.

(a) The number of directors comprising the Board shall be the sum of (i) four (4) ex-officio directors (as described below) who are affiliated with the University of South Alabama (the "University") and (ii) five (5) directors who are not officers, employees, or trustees of the University. The Board of Trustees of the University shall have the absolute right, in its sole discretion, to decline to elect any one or more of the director nominees included in the slate presented to it by the Board of the USAFRC and to request that a substitute slate be presented with different nominees. This process shall be repeated, if necessary, until the Board of Trustees of the University has selected directors to fill any directorships the term of which has expired or will expire at the next annual meeting of the Board.

(c) The term of office of the five (5) directors who are elected to serve on the Board in the manner described in (b) above shall be four consecutive years; provided, however, that at the meeting at which the adoption of these Bylaws took place, certain directors will be elected to serve a two (2) year term expiring in September, 2015, such that these four (4) directors serve staggered terms with two (2) of these directors' terms expiring in September 2015 and three (3) of these directors' terms expiring in September 2017. Thereafter, each term of the directors elected by the Board of Trustees of the University in accordance with (b) above shall expire four (4) years after said director's appointment. Directors shall hold office until their successors have been duly elected and qualified or until their deaths or until they shall resign or shall have been removed from office in the manner provided in these Bylaws. Directors need not be residents of the State of Alabama.

Section 3.3 Resignation. Any director may resign at any time by giving written notice of such resignation to the Chair or Vice Chair of the Board and to the Chair Pro Tempore of the Board of Trustees of the University.

Section 3.4 Vacancies. In the event of a vacancy in the Board of Directors resulting from a vacancy of any of the positions at the University described in Section 3.2(a)(i) through (iii), the vacancy in the Board shall be filled at such time as the vacancy of such position at the University is filled; provided; however, that persons appointed as "acting" positions

described in Section 3.2(a)(i) through (iii) shall serve on this Board consistent with said "acting" appointment at the University. In the event of a vacancy in the Board with respect to either of the four directors elected by the Board of Trustees of the University in accordance with Section 3.2(b) above, such vacancy shall be filled using the procedures set forth therein with the replacing board member serving the remainder of the term associated with the vacant position.

Section 3.5 Annual and Regular Meetings. A regular meeting of the Board, which shall be the annual meeting thereof, shall be held in September of each year, commencing in 2013, unless the Board shall determine to hold its annual meeting at some other time. At the annual meeting, the Board shall appoint the officers of the USAFRC for the coming year and shall transact such other business as shall come before the directors at such meeting. Additional regular meetings of the Board shall be held at such times and places as may be determined by the Chair or Vice Chair of the Board. There shall be at least two (2) regular meetings of the Board, including the annual meeting thereof, during each calendar year.

Written notice stating the place, date, and time of the meeting and, in the case of a special meeting, the purpose or purposes for which the meeting is called and the name or names of the person or persons by whom or at whose direction the special meeting is called shall, except in extraordinary situations, be given each director not less than five (5) days before the date of any annual or regular meeting and not less than two (2) business days before the date of any special meeting, either personally, by mail, by facsimile or by electronic mail, by or at the direction of the Chair or the Vice Chair of the Board, the President, or the Secretary. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail, addressed to the member at such member's address as it appears in the records of the USAFRC, with postage thereon prepaid. If by facsimile or electronic mail, such notice shall be deemed to be delivered upon confirmation to the sender that such facsimile transmission or electronic mailing is complete. Each director shall be responsible for keeping the Secretary informed as to such director's proper mailing address and e-mail address. A director may waive his or her right to notice of the annual or a special meeting.

Section 3.8 Meeting by Telephone. Members of the Board or any committee designated thereby may participate in a meeting of the Board or a committee thereof by means of a conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other at the same time and participation by such means shall constitute presence in person at a meeting.

Section 3.9 Quorum. The presence of a majority of the directors then serving on the Board at the annual or any regular or special meeting thereof shall constitute a quorum for the conduct of business. If less than a majority of the directors is present at a meeting of the Board, a majority of the directors present may adjourn the meeting from time to time without further notice. At such adjourned meeting at which a quorum shall be present, any business may be transacted which might have been transacted at the meeting as originally noticed. Directors present at a duly organized meeting thereof may continue to transact business until adjournment, notwithstanding the withdrawal of enough directors to leave less than a quorum.

Section 3.10 Chair and Vice Chair. At all meetings of the Board, the Chair, or in the absence of the Chair, the Vice Chair, or in the absence of both the Chair and the Vice Chair, an acting chair chosen by the directors, shall preside over the meeting.

Section 3.12 Action Without a Meeting. Any action required or permitted to be taken by the Board or a committee thereof at a meeting may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all of the directors or all of the members of the committee, as the case may be. Such consent shall have the same effect as a unanimous vote of the directors or the members of such committee.

Section 3.13 Conflicts of Interest. The Board shall adopt a Conflict of Interest Policy that applies to all Board members and shall ensure that both current and new Board members agree to abide by its terms.

Section 3.14 Removal. A director may be removed or suspended at any time with or without cause by a majority vote of the Board of Trustees of the University, acting in its sole and absolute discretion.

Judge Windom proposed changing the Committee's name to the *Academic Excellence and Student Success Committee* and stated this would require revision and approval of the Board's Bylaws at a future meeting.
